Medicaid coverage with support services
Description

The Sherlock Plan is a Medicaid buy-in program for adults with disabilities that provides comprehensive health coverage. The program is intended to help individuals with disabilities maintain or obtain health coverage and other services and supports that will enable them to continue working!

There may be a monthly premium. (If an individual is offered employer sponsored coverage that is cost effective, the individual may be required to enroll in that plan.)

The Sherlock Plan is a fee-for-service Medicaid plan, not a Managed Care Plan.

Who is Eligible?

Individuals age 18 or older who have a disability (as defined by Medicaid or the Social Security Administration)

Must be employed or Self-employed; no minimum amount of hours is required

- Income: Must have countable earned income no greater than 250% of the FPL. Countable income is defined as total earned income remaining after all SSI related disregards are applied. (250% of FPL is $2,529.18 in 2018).

- Spousal income is not counted during the eligibility process. However spousal income is included when the premium is determined. (If combined earnings are over the FPL, eligibility can change).

- Resources: Limited to $10,000 for an individual and $20,000 for a married couple.

Excluded Resources:

- Medical Savings Accounts, retirement accounts or an ABLE Account
- equipment needed for disability; i.e. Accessible Van

Please note: The premium and income information provided in this pamphlet are those that are current for 2018 and may change yearly.
