# BHDDH Technology Training Schedule

## Who should attend the BHDDH Technology Training?

This training is for anyone who got technology like an iPad or laptop from the Technology Fund. The training is also open to anyone thinking about applying for new technology.

## What are the training topics?

In this training you will learn many topics, including how to use:

- Cameras to make visual schedules, recipes, and more
- Touch screen tablets
- Film apps to make videos
- Community maps and drawing apps to chart a route
- Smart home apps like ring doorbells
- Other useful apps

## What will I learn from the training sessions?

You will learn how to use your device.

You will get step by step tutorials to practice using your device.

You will be given handouts to help you when you are home using your device.

## Online Training Schedule

This training will take place online using Zoom. The training sessions will be held two times a month. See the full training schedule below. Remember, bring any questions you have about using your technology device to the training.
