

Are you interested in services and supports that may be available after high school?
Wondering how to find out more about what's possible?

Please join staff of the Division of Developmental Disabilities for a virtual information session.

Tuesday, November 15th from 6:30 – 7:30pm

Get information about adult services, how to apply, and how funding is determined.

Registration is necessary for participation in this meeting.

Please click on this link to register:
