BHDDH's Quality Improvement Technical Assistance Session

Technical Assistance Session

BHDDH's Quality Improvement team invites you to a **THERAP Technical Assistance Session** on **Tuesday, July 1st at 1:00 PM**. This session will focus on Super Admins/Super Roles and is intended to support your effective use of the platform.

Topics will include:

- Overview of the Dashboard and its main functions
- Creating user accounts
- Managing roles and privileges
- Resetting passwords
- Setting up notifications
- Additional system management features

Tuesday, July 1st at 1:00 PM

If you are unable to attend and would like to request individual technical assistance, please reach out to the Quality Improvement team.
